### **Bahwan CyberTek LLC:**

As a SEI CMMi level-5 company, BCT was selected by Red Herring as Asia's Top 100 privately managed companies and ranked by Deloitte for three consecutive times for the Fastest 50 growing companies in India and Fast 500 across APAC. With over 1300 knowledge professionals, spread across US, West Asia & India, it has truly made a mark in this dynamic & seamless, globalization era. BCT has operations in eleven countries with the global delivery operations centralized at Chennai, India.

The best part of BCT's journey has been in translating the knowledge gained internationally to the benefit of Oman and its citizens. Over a decade BCT has been working very closely with the Government in the creation of knowledge workforce in Oman. As a part of this Major initiative, we have been contracted by Ministry of Manpower and other Government bodies to provide High Caliber Teaching professionals for their Colleges of Technology, Vocational Training Centers and Colleges of Applied Science in Oman with major focus in the countries like Australia, UK, Ireland, New Zealand, India, Philippines, Tunisia, Jordan, South Africa, U.S.A, etc.

**To fulfill the Government initiative, we are carrying out this recruitment activity for more than a decade. Presently, we are in the process of recruiting English Language Teaching professionals to be deployed at the Technical Colleges in Sultanate of Oman. We got your CV through our Job portal and found that your skill set matches our requirement.**
